The background features a large iceberg floating in a blue ocean under a cloudy sky. The visible portion above the waterline is labeled with three service offerings: "Energy Performance Contracting", "Subscription Based", and "Fixed Fees". Below the waterline, the submerged portion of the iceberg is divided into five circular sections, each containing a service name: "DECIP", "DC SAVES", "DC HOMES", "DC ANALYTICS", and "DC SERVICES". This visual metaphor represents the company's comprehensive range of services, both visible and hidden.
